POL 1W0 (temporary address)

Minister of Citizenship,
Office of Minister of
Citizenship.

I would like to file a complaint
under Section 8 of the H. R. Code
because I have been subject of
reprisal for filing a human rights
complaint.

I currently have ~~a~~ a complaint against the ODI
and the office of the Minister of Citizenship (40-599R).
I have been told that the minister's staff have been told
not to talk to me pending the resolution of this
complaint. This was communicated to me by
Julius Deutsch, Patrick Hunter, of the minister's
office, and Paddy Kavan, formerly of the
Minister's Office. -

I am a person disabled by environmental sensitivities who has tried to obtain a service from the Office of the Minister of Citizenship and who has been denied that service in reprisal for having laid a human rights complaint. I believe my right to equal treatment with respect to the provision of a service - as well as my right to claim and enforce my right under the Code without reprisal or the threat of reprisal have been infringed contrary to sections 1, 8, and 10 of the Human Rights Code, RSD 1990 Chapter H-19
